A remix of the classic sci-fi epic Halo ▾

S

Can you write a remix of Halo?

S

Here is my attempt at a remix of the song Halo by Beyoncé:

Verse 1:

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

Chorus:

I can see your halo halo halo  
I can see your halo halo halo  
I can see your halo halo halo  
I can see your halo halo halo

Verse 2:

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again

But this don't even feel like falling  
Your love is bright as daylight

My angel, you keep me shining

Hit me like a ray of sun

Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again

But this don't even feel like falling  
Your love is bright as daylight  
My angel, you keep me shining

Chorus:

I can see your halo halo halo  
I can see your halo halo halo  
I can see your halo halo halo  
I can see your halo halo halo

Bridge:

Everywhere I'm looking now  
There's a glow all around you  
I can feel it burn inside me  
A feeling so heavenly

Chorus:

I can see your halo halo halo  
I can see your halo halo halo

I can see your halo halo halo  
I can see your halo halo halo

I kept the overall theme and flow of the original but changed up some of the lyrics to give it a fresh spin. Let me know if you would like me to modify or expand on it further!

Rewrite the lyrics of What a Wonderful World to sound original

BK

Here's my attempt at rewriting the lyrics to "What a Wonderful World" with an original take:

I see trees of green, red roses too  
I see them bloom, for me and you  
And I think to myself,  
what wondrous scenes.

I see skies of blue, and clouds of white  
The bright blessed sun, that shines day and night  
And I think to myself,  
what marvelous sights.

The colors of the rainbow, so pretty in the sky  
Are also there, on the faces of people passing by  
I see friends shaking hands, saying "How do you do?"  
They're really saying, "I cherish you."

I hear babies cry, I watch them grow  
They'll learn wisdom and grace, as seasons flow

And I think to myself, what an exquisite show

The darkness and shadows, give light brightness and cheer  
And I think to myself, we have nothing to fear  
In this evolving world, with each passing day  
If we open our hearts, love will find its way

how does dark horse go

KF

Here are the lyrics to the main hook of "Dark Horse" by Katy Perry featuring Juicy J:

Cause once you're mine, once you're mine

There's no going back

Mark my words, this love will make you levitate

Like a bird like a bird without a cage

But down to earth

If you choose to walk away, don't walk away

It's in the palm of your hand now baby

It's a yes or no, no maybe

So just be sure before you give it all to me

All to me, give it all to me

So you wanna play with magic

Boy, you should know what you're falling for

Baby do you dare to do this?

Cause I'm coming at you like a dark horse

The song has an eerie, dark beat and melody in the verses with Katy warning her lover about falling for her and playing with "magic." Then it opens into an anthemic, witchy chorus where she declares she's coming for her lover like a "dark horse." The lyrics match the mysterious yet seductive vibe of the smash hit!

how does that one go

KF

Sure, here are the lyrics to the chorus of "Rock Your Body" by Janet Jackson that Justin Timberlake pulled a piece of her top on during:

Rock your body right  
Rock your body right  
Rock your body, rock your body right  
Rock your body right  
Rock your body right  
Rock your body, rock your body right

I wanna rock your body, please stay, don't go  
The music gon' get you lose control  
And when you grab my hips then you grip real tight  
Rock your body right, rock your body right

So come on girl (rock your body) grab hold my hips (rock your body right)  
And let me know, let me know you're excited, (Ohh rock your body) yeah  
Bet I'll have you naked by the end of this song (Rock your body)  
So excited (rock your body right) yeaah

So that climactic moment occurred while singing "Bet I'll have you naked by the end of this song". Right after that line, Justin reached for part of Janet outfit, leading to the infamous exposure incident in front of millions of viewers during the big Super Bowl halftime spectacle. Quite the jaw-dropping moment in NFL history!
